

**COTTESLOE PRIMARY SCHOOL
P&C ASSOCIATION INC.**

Cottesloe Primary School Brick Fundraiser.

Dear Parents,

Please find attached a form for the **P&C Association's Brick Fundraiser**. We hope to raise enough funds through the project to enable the School to purchase roller doors for the undercover area. As a free, independent primary school, Cottesloe Primary depends on the generosity of its community and families to make necessary improvements possible.

Roller doors will complete the undercover walkway project and provide proper shelter for students during assemblies and activities, especially in cold and wet weather.

Families are invited to add their names to the 120th Anniversary Walkway by purchasing a brick paver for each child, or one for the whole family. The bricks will be engraved and placed along a dedicated pathway to link students from the past, present and future. It is a fantastic way to mark your family's time at Cottesloe Primary and will create a lasting connection for your child to the school.

Staff and Alumni are also welcome to purchase bricks so if you know of any neighbours, friends or family who would like to buy one, please let them know! The aim is to include as many generations of staff and students in the pathway as possible.

Each brick costs \$100 and orders must be placed by September 15th. For further details, please contact cottfundraising@gmail.com. A sample brick is on view at the Front Office. Each brick has three lines and can include up to 17 characters per line.

Should you have any questions, please contact Catherine Strickland cottfundraising@gmail.com or Ruth Fiorentini presidentcott@gmail.com.

Thank you, as always, for your support.
