Congratulations!

Your school has made an important decision to join the digital revolution of online ordering. The QuickClik ordering system is so simple even a child can use it, which means that the service is easy and convenient to use.

Created by schools and parents, Quickclik is your one-stop shop for everything your school and students need. What used to take hours to procure can now be done in one place, with a simple click of a button.

It is safe, and secure.

Why is my school using an online ordering system?

It enables your school to be more efficient with school bookings and purchases. QuickClik offers a large range of services with one central support hub. We like to call it hassle-free shopping. You can now say goodbye to running from shop-to-shop to fill your school orders, and hello to getting the job done quickly and easily in one online store.

Is the website safe and secure?

QuickClik is department of education approved and all your information is hosted in Australia. QuickClik also has an SSL certification and is PCIDSS approved for secure financial transactions. This means that you can rest assured your information is protected.

How can I pay for my order or add credit to my account?

You can use Paypal or Credit Card for immediate payment. You can also use Direct Deposit, which is fee free.
