JOIN US IN WORKING FOR THE SCHOOL COMMUNITY

Lapathon is a great success!

We're still tallying up sponsorships, but it looks like Lapathon has exceeded our fundraising goals. The kids raised more than \$11,000 for school improvements and the P&C will be asking students to choose how a portion of those funds are allocated. Thank you to everyone who supported this event. It was a great community event and wonderful to see how much the kids were enjoying themselves – even the occasional downpour didn't dampen spirits.

Thanks to:

Our Year 3 parents, Mr Dart and our Year 6 leaders!
